Jay Barker

40 Lake Charles Ct ? Covington, Ga ? H Cell ?

Targeting IT&Telecom Positions

Devry University graduate offering a strong academic background in IT combined with excellent internship experience as an IT analyst.

Proven IT manager and instructor in RF and software technologies.

Consistently recognized for technical troubleshooting skills used to rapidly and cost-effectively resolve challenging technical issues.

Quickly learn and master new technology; equally successful in both team and self-directed settings; and proficient in a range of computer systems, languages, tools and testing methodologies.

Education

Devry – Atlanta, Ga, Degree completed on 6-78

Studies: Computer and basic electronics

Been in the IT field for 15 years

Concurrent Employment with College Studies:

Service Technician (1980-1986): Cable Atlanta, Ga: Ran service calls for customers. Trouble shot problems from pole to house and inside, use of SAM meter and TDR. After a couple of years

I became lead tech and supervisor of 12 technicians.

Plant Manager (1986-1990): Storer Cable: Leesburg, Va.: Served as plant manager 15000 subscriber system. Supervised day to day activity of technicians and installers and attended city council meeting representing the cable company's interests in city growth and future expansions. Left for higher paying job.

Plant Manager (1990-1993): Sterling Cable: Sterling Va.: Plant Manager of a 35000 subscriber system. Oversaw day to day activity of all maintenance and installations

and design of new builds. Handled calls from dissatisfied customers. Company was bought out and my position was eliminated! Moved back to Georgia.

Microwave Technician (1993-1997); ProComm Telecommunications Conyers Ga: Installation and test of microwave radios including DSX and Mux installs including all manufactures Teleseicenes Alcatel and NEC and others. Left for better paying job.

Field Engineer(1997-2001)Veramark Technologies Rochester NY: Installation and setup of Lucent technologies call accounting systems. Onsite training for as many as 20 employees to provide service for customers. Trouble shot system problems with switch interfaces on all Lucent switches. Laid off due to economy.

Corporate IT Manager (2001 to Present): ProComm Telecommunications Conyers Ga: Provide 24/7 system networking/desktop support and perform mainframe and account maintenance tasks. Earned commendations for teamwork, flexibility and work excellence in providing IT support to employee and faculty.

Project Manager, ProComm Telecommunications and Manage off site projects from start to finish including cost and estimations track from start to finish.
