WORK EXPERIENCE
TEKSYSTEMS
10/2010 - Present

Dallas, Texas US

Salary: 37 USD Per Hour

Hours per week: 40

Systems Engineer

• Responsible for planning, testing, and implementing server refresh of 1900 Microsoft systems nation-wide. • Install Windows Server 2008 R2, and the Hyper-V role, to provide a 1:1 build ratio as decentralized DR solution. • Installing Microsoft System Center Suite management and client application for monitoring and management of new servers. • Work with vendors (HP, Microsoft) on technical best practices and product quotes for project requirements. • Automate, where possible, server deployment using PowerShell.

Pulte Financial Services
11/2005 - Present

Dallas, Texas US

Salary: 77,000.00 USD Per Year

Hours per week: 40

Infrastructure Analyst

• Promoted from Systems Administrator position in June 2007 to team lead. • Supervise the project and day-to-day activities of Infrastructure team. • Work closely with vendors to determine the best and most cost effective strategies for solution based processes. • Implemented the use of management tools such as SCOM and SCCM. • Participated in Change Management process for procedure approval. • Create infrastructure policies and procedures to insure organization wide compliance. • Coordinate and delegate project specific duties across business units. • Manage all of Pulte Title's Windows servers, both hardware and OS. Server types include: Windows Server 2003 and 2008, AD domain controllers, file and print, application, terminal, fax, database, web, and backup. • Established implementation plans for and managed the virtualization of most Windows servers to VMWare and/or MS HyperV. (Contact Supervisor: Yes, Supervisor's Name: Eric Hurst, Supervisor's Phone)

Qnet Information Services

8/2001 - 11/2005

Dallas, Texas US

Salary: 55,000.00 USD Per Year

Hours per week: 40

Server Engineer

• Performed site evaluations to assess customer need. • Designed and implemented network systems for agency customers. • Performed system maintenance to ensure adequate uptimes. • Drafted design documentation of system. Also provided procedure specifications and user manuals as requested. (Contact Supervisor: Yes, Supervisor's Name: Richard Alexander, Supervisor's Phone)

Edison Schools, Inc.
6/2000 - 11/2001

Dallas, Texas US

Salary: 43,000.00 USD Per Year

Hours per week: 40

Lead Support Technician

• Assisted in planning and implementation of Dallas area technology upgrade. • Supervised tasks of area support techs (6). • Assisted Southwest region schools resolve infrastructure and desktop issues. • Attended companywide leadership meeting to report regional challenges, proposals, and accomplishments. • Produced process documentation currently used nationally. (Contact Supervisor: Yes, Supervisor's Name: Mike Williams, Supervisor's Phone)
