Minneapolis, MN 55406
)

QUALIFICATIONS

I am a self-assured, conscientious professional with twenty five years of experience in the Information Technology field. As an individual who is dedicated to my profession, I am proficient working independently or as a team player. I have extensive experience and have been employed under IT contracts for both the Federal government, DOD and private sector. My skills include a balanced combination of technical expertise, project organization, and outstanding communications skills. Lastly, I am well-versed in existing IT solutions while always staying abreast of new technologies. Department of Defense secret clearance was required and held by me for many of these positions.
