WORK EXPERIENCE

12/2009 to Present DiscoverTec

Systems Administrator – Managed, implemented, and repaired multiple IT infrastructures. Installed, upgraded, and administered various Exchange environments ranging from Exchange 2003, 2007, and 2010. Lead various server migrations including Exchange, IIS, Active Directory, File, Print, and various application servers. Primary engineer in the physical to virtual migrations. Provided tier support to clients, employees, and co-workers. Enhanced knowledge on various IT products including VMWare, vSphere, Exchange 2010. Troubleshoot various server related issues ranging from SANs, VMWare, vSphere, Microsoft Windows 2000, 2003, 2008, IIS, Exchange, SQL Server, Active Directory, NTFS Permissions, Print Shares, terminal services, and various other server-based applications.

3/2008 to 12/2009 Atlantic Marine, LLC, Jacksonville, FL

IT Specialist - Managed and implemented new sites. Played an active role in the server virtualization and migration. Managed user accounts in Active Directory along with file shares and NTFS security permissions. Diagnosed and repaired Server and Workstation OSs and hardware platforms, including Windows Server 2003 and VMWare. Configured printer servers at each site. Installed test environment. Administrator of System Center Configuration Manager. Support 600+ users locally and remotely. Lead and managed the implementation and use of System Center Configuration Manager.

2/2007 to 3/2008 Intego Systems, Jacksonville, FL

Computer Load and Repair Technician – Implemented and tested software and hardware on various platforms with a variety of operating systems including Windows XP, Windows 2000, Windows 2003 Server, Fedora Core 2, Fedora Core 4, Fedora Core 6, and Red Hat 9. Researched, managed, and maintained security features for Windows XP, Windows 2003 Server, and Linux operating systems. Provided assistance with onsite and offsite technical support and repairs. Design and implementation of networks: including a Windows 2003 Server acting as a DHCP server running Routing and Remote Access.

12/2005 to 2/2007 The Sunn Battery Co. Jacksonville, FL

Customer Service – Maintained a working office-atmosphere with up-to-date records of profits being made, customer interaction, and inventory.
